## **Raclette Party @ zinqué Venice | Newport | Massilia**

Experience a unique culinary tradition from **the Swiss Alps**. Raclette is a highly specialized type of cheese, carefully heated to a smooth melt & scraped from the wheel onto a diner's dish.

After a SOLD OUT event @ Venice last year, we are adding two more locations this year: Massilia in Santa Monica + zinqué Newport Beach!

Partners

Chasselas is considered to be the perfect white wine to pair with raclette & fondue thanks to its terrific minerality + freshness. With notes of lime blossom & white fruits.
